

## **COVID-19 -Restaurant Guidelines**

For the protection and safety of the staff and customers, Amici has applied the following procedures and changes to the restaurant to ensure a safe and enjoyable dining experience.

- On arrival at the restaurant there will be floor markers to ensure social distancing while waiting to enter and be seated
- Hand sanitizer stations will be positioned throughout the restaurant, please use the one at the entrance on arrival
- Tables will be spaced out in accordance to government guidelines
- All table and chairs will be cleaned and sanitized before each booking
- Toilets will be cleaned and sanitized every hour including hand rails and handles
- All staff will be wearing PPE and will sanitise their hands after every visit to a table

Can all customers please:

- Maintain social distancing inside and outside the restaurant
- Remain seated at your table apart from visiting the toilet and smoking area
- Order and pay at the table, not at the bar
- Use the allocated smoking area outside at the rear of the restaurant
- Use your smart device to view our menu, a hard copy can be provided on request
- Keep children under supervision at all times

Thank you and enjoy your meal
